

EXPLORING NEW YORK - Broadway

Broadway is a famous street in New York City. It is known around the world for its theaters and musicals. Many people come to New York to see a Broadway show. These shows include plays, musicals, and performances by talented actors, singers, and dancers.

Broadway is located in the Theater District in Manhattan. There are over 40 theaters on Broadway, and some of them are very old. The longest-running show on Broadway is *The Phantom of the Opera*, which opened in 1988. Tickets for Broadway shows can be expensive, but there are also ways to get cheaper tickets.

Many people buy tickets online, but others go to special ticket booths in Times Square. Seeing a Broadway show is a special experience. The lights, music, and performances are unforgettable. If you visit New York City, going to a Broadway show is a must!
